

The [ViralML.com](#) Newsletter

July 30th, 2019

Hello Friends!

As crazy as it may sound, we're about half-way through the summer! It's been a hot one. In this newsletter I share two exclusive videos that will be published in August along with two recent popular ones.

I take a deep look at Twitter "retweets" and reveal my new branding boutique called [StratiREACH](#). I'll share more about this later this summer.

Also, I am extending my free class deal on my new Udemy course "Fundamental Market Analysis with Python". If you are interested, send me an email and I'll send you a free coupon. All I ask is that you review the class - stellar reviews please :-)

**Fundamental Market Analysis with Python**

**NEW** 30 lectures • 5.5 hours • Intermediate

As usual, thanks for your interest and continued support through the years.

Exclusive Not Yet Released Videos:

[Let's Talk Retweets and Retweet Etiquette!](#)

We all retweet but how many of us stop to ponder the process? According to Omnicore, we send some 500 million Tweets a day and according to Sysomos, only 29% elicit a reaction and out those, 19% of those are retweets. Let's analyze this process.

[PMI Correlated to the 10-Year Yields? Yes, A PMI Proxy Any Time, Any Day!](#)

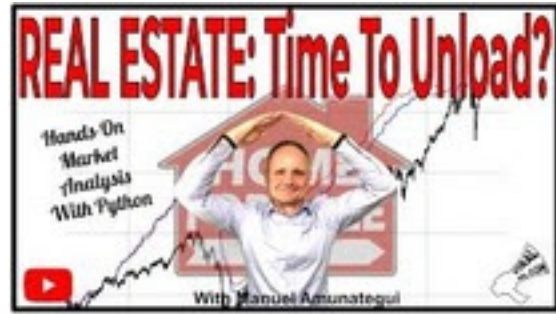

PMI Correlated to the 10-Year Yields? Yes, A PMI Proxy Any Time, Any Day! If this is true, this could come in handy when you need a quick estimate mid-month. Let's roll up our sleeves and find out.

Popular Videos Since the Last Newsletter:

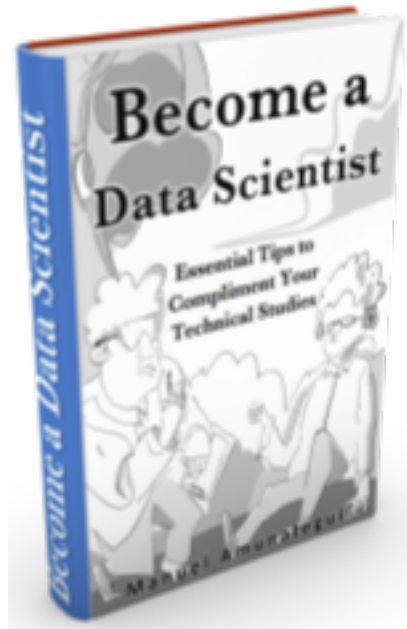

[How Does a Fully Automated McDonald's Make You Feel?](#)

It's coming people, soon it will be nothing more than a deep frying vending machine. The idea of McDonald's run only by robots conjures up many emotions; probably more emotional than the potential damage from automated driving.

**Real Estate: Is It Time to Unload? Hands-On Market Analysis with Python**

Indicators are pointing to a bubble once again. Let's roll up our sleeves and find out what is going on.

[Downloadable eBook "Become a Data Scientist"](#)

Here is the link for those looking for my free eBook, Become a Data Scientist: Essential Tips to Compliment your Technical Studies. Let me know how you like it and best of luck with your exploration of data science. It's a fantastic field where we feel like students every day.

Thanks for your continued interest and support!
