Women in Tech, We Need More of You to Join The Machine Learning Revolution

Let's talk about our current tech revolution and women's involvement in it. These are troubling times, on multiple fronts.

Anybody Interested in Reviewing My eBooks gets a free Copy

Big thanks to those that volunteered to review my books, the reviews are awesome and I really appreciate your help!

I want to extend that to all three of my books so email me at amunategui@gmail.com if you are interested:

**Grow Your Web Brand, Visibility & Traffic Organically - 5 Years of amunategui.github.io**

In this book, I lay out my methodology for website management to attract and grow traffic. Here are the steps and lessons I have learned from running my data science website amunategui.github.io and building my brand over the past 5 years. Grow Your Web Brand, Visibility & Traffic Organically

Create Income Streams with Online Classes: Design Classes That Generate Long-Term Revenue

Let me show you how to create online classes that generate long-term income streams. On-demand video classes are a booming educational tool. We all have a story to share and a few lessons to teach. Whether you are an amateur or a seasoned professional, creating an online class can be fun, financially rewarding and good for the soul.

Defense Against The Dark Digital Attacks: How to Protect Your Identity and Workflow in 2019

In this book, I share the tools, tips, and methods that I use to protect my identity and safeguard my workflow.

Downloadable eBook "Become a Data Scientist"

Here is the link for those looking for my free eBook, Become a Data Scientist: Essential Tips to Compliment your Technical Studies. Let me know how you like it and best of luck with your exploration of data science. It's a fantastic field where we feel like students every day.

Thanks for your continued interest and support!

Sincerely,
Manuel Amunategui
